

Be kind to yourself

Ready to build healthy habits?
WeightWatchers® is here for you.

3 ways to practice self-compassion

Because being kind to yourself can help you stick with healthy habits.

- **Be your friend.**

Use kind words in your self-talk, like you do with people you love.

- **Celebrate the small wins.**

Did you pack lunches this week, or make a healthier food swap?

- **Check in when you're stressed.**

Ask yourself, what do I need now? What will help?
